2024 Diamond DA62 (N88FY) S/N 62.258

S P E C S H E E T

Ready for the next adventure! We have secured special financing rates for N88FY! Lock into a 5.9% interest rate and capture 100% Bonus Depreciation!! Currently in Annual & IFR Inspection at a Diamond Authorized Service Center! N88FY will be ready for in service before yearend with fresh inspections and the Austro AD completed! Be one of the first to have a late model DA62 with the Austro AD completed! N88FY is a gorgeous example of a like-new DA62 with all the right options. Built in late 2023 in Austria with a certificate from Diamond that N88FY is the first 2024 model! 300hr engine inspection completed and no recurring engine AD! 8FY is equipped with many options from Diamond including air conditioning, Flight into Known Icing TKS, Garmin Onboard Full Motion Live Weather Radar, Active Traffic, Iridium Satellite and much more. Enjoy the efficiency of two Austro Engines that burn the widely available Jet-A! Additional high-res photos and scanned logbooks available upon request.
