Lone Mountain Aircraft is pleased to bring to market N93GD, a 2011 SR22T with striking Xi Exterior and an X Edition Slate interior! Upgrades to this already great platform include a SureFly E-Mag, WAT Lighting for the Strobe/NAV and BoomBeam for the landing light and digital fuel gauges by CIES. A Zephyr overhauled engine is out front with only 775hrs flown! The Hartzell composite propeller was also overhauled at the same time! Factory Air Conditioning and Flight Into Known Icing are installed for comfort and safety in all seasons! We have 100+ high-res photos and scanned logbooks upon request. Also available as 50% partnership based in Chicago, IL.
