A great opportunity to put a clean, well maintained, one Midwest owner, Turbo Skylane into your hangar for 2026! Annual Inspection is scheduled and is a great time to tag on for your inspection! N107WT is nicely equipped with the new GI275 electronic standby unit, XM weather/audio, Garmin FlightStream, ADS-B In & Out and much more! Fly above the bumps and weather with the turbo charged Lycoming engine and with factory installed oxygen. The Garmin G1000 NXi avionics will keep your situational awareness high while the Garmin GFC700 digital autopilot on track. We have many high-resolution photos, condition video and scanned logbooks available upon request. Don't miss the opportunity to get into a wonderful Turbo Skylane!
