Experience the pinnacle of high-performance turboprop ownership with this pristine, low-time 2023 Piper M600 SLS. This aircraft represents the latest in Piper's M-Class line, offering unparalleled safety and sophistication. It features the advanced Garmin G3000 Avionics Suite and the groundbreaking HALO Safety System. Power and precision are ensured with the factory-installed Auto Throttle. This is an exceptional opportunity to acquire a nearly-new, fully-equipped M600 SLS without the wait.
