1968 Beechcraft B55 Baron (N1HB) S/N TC-1069

S P E C S H E E T

Take the runway with confidence in this highly upgraded B55 with overhauled engines and propellers. Garmin avionics upgrades including a G500TxI, Garmin GTN 750TxI Com/GPS and Garmin G600 Autopilot with integrated Smart Rudder Bias for enhanced safety. Engine monitoring displayed conveniently and intergraded into the G500TxI as well as the dedicated Garmin EIS Engine Monitor. Stay comfortable in the summer months with the SofieLite air conditioning system. Complete logbooks are available upon request.

Competitive financing rates available, so contact Lone Mountain Aircraft today to get this great aircraft into your hangar soon!
