1984 Beechcraft A36 Bonanza (N6848C) S/N E-2147

S P E C S H E E T

Lone Mountain Aircraft is pleased to offer N6848C, a heavily upgraded 1984 A36 Bonanza with all the right options! On the exterior you will find a recently installed Whirlwind III Turbo Normalized system by Tornado Alley, Osborne Tip Tanks, Built-In Oxygen System, Flap & Aileron Gap Seals, Cooling Baffles and all LED Lighting!! In the Cockpit you will find a late style panel with an upgraded avionics package with Garmin G5's, Garmin GFC600 Autopilot with Yaw Damper and Electronic Stability & Protection, Garmin GTX345 Transponder with ADS-B In/Out, EJPI 800 Engine Analyzer, XM Weather and much more! The cabin sports a beautiful tan leather in a club seating arrangement, which was completed in 2017, with an executive writing table, window tints and Factory Airconditioning! Fly High, Fast and Comfortable with this VERY capable and well maintained Bonanza. Scanned Logbooks, High Resolution Photos and Walk Around Video available on request.
