N64EG features a strong maintenance status with a recent Authorized Service Center annual, and has also recently undergone a CAPS overhaul, seatbelt inflator replacement, and propeller overhaul. The pride of ownership shows when you look at this aircraft and the condition defies its vintage. It is worth taking a look at this one!

Cirrus Embark Program Transition Training available for owner pilots who qualify.

Competitive financing rates available, so contact Lone Mountain Aircraft today to get this great aircraft into your hangar soon!
