2006 Cirrus SR22 G2 TURBO (N904CD) S/N 2306

S P E C S H E E T

Lone Mountain Aircraft is pleased to offer N904CD, a great value Signature Edition SR22 with an Avidyne Avionics Suite and an upgraded Factory Turbocharged Engine (It is not TurboNormalized – it is an upgraded STC to a Turbocharged engine). Enjoy the performance found on later model SR22T’s aircraft at the price of an SR22 while sporting this special edition interior/exterior combination. Great value purchase.

Transition Training is included in the purchase of this aircraft through Cirrus Embark Program. Low rates and flexible term financing are available, so call us today at 1-888-566-3686 to learn more about this and any of our other aircraft available for sale!
