Lone Mountain Aircraft is pleased to offer this nicely equipped G1 Cirrus with a low time engine and propeller since overhaul. N880CD has some avionics upgrades to complement its high useful load. This aircraft has always been stored in a hangar and has full logbooks available since new. Transition Training is included in the purchase of this aircraft through Cirrus Embark Program for eligible pilots.

Financing is available with competitive rates so call us today at 1-888-566-3686 to learn more about this and any of our other aircraft today.
