## 2014 | CESSNA, CITATION M2

Lone Mountain is pleased to bring to market N593WT! Two Midwest owners since new, this Citation M2 is in excellent condition inside and out. In the cockpit you will find the Garmin G3000 Avionics Suite equipped with the updated 4.8.11 Software including FlightStream! A few great avionics options include; TAWS-A, Iridium Satcom (Connex Weather, Talk & Text), VHF Datalink, Turbulence Detection, pilot AOA indexer and much more. The interior has light grey seats with dark wood trim and inlays with the Pearl Interior sidewalls and headliner. A LH Side cabinet is installed which provides an electrically heated coffee pot, storage and an ice drawer. N593WT is fully enrolled in Williams TAP Blue and Textron ProParts. Many high-res photos, logbooks & status sheets available upon request.
