2016 CIRRUS SR22 G5 (N995TB) S/N 4430

S P E C S H E E T

Lone Mountain Aircraft is pleased to bring to market N995TB, a fantastic example of a late model Generation 5! All the 2016 upgrades including the positive latch door handles. 5TB has been very well maintained and always based in the Midwest. Flight into Known Icing & Air Conditioning keep you safe and comfortable throughout all flying seasons! On the inside you will find the Garmin Perspective avionics with the Garmin digital autopilot with yaw damper and many options to keep you going where you need to. A useful load of 1,213lbs allows you the flexibility to take people and things! Many more high-res photos, condition video and scanned logbooks available upon request.

Cirrus Embark Training included for Eligible Pilots!

Low rates and flexible term financing is available, so call us today at 1-888-566-3686 to learn more about this and any of our other Cirrus Aircraft available for sale!
