INTERIOR

This warm and inviting interior refurb was completed in 2019.

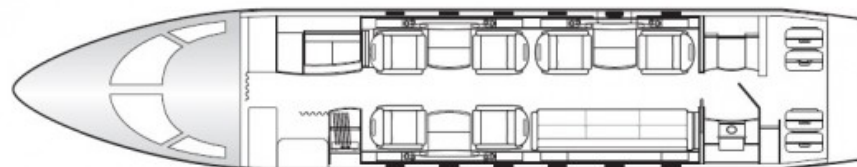

The six trial seats and the three-place divan are covered with Jameson Beechwood leather, including perforated lumbar panels for comfort and appearance.

The seats are complemented by lower sidewall panels covered in a pebbled Tango Sabbia leather, and the window panels and headliner are upholstered with Linen Ultraleather.

The cabinetry was refurbed by sanding the pieces to the raw wood, re-staining with a soft brown tint, and finishing with a satin topcoat. All hardware has a brushed nickel finish.

Other cabin features include dual DVD players, two bulkhead monitors, and Wi-Fi service throughout.

The entry area refreshment center includes a TIA oven, a Nespresso machine, dual Mapcos and an observer's seat. Across the aisle is a full coat closet.
